Dear Potential Business Partner:

Sardis Enrichment School is home to approximately 600 students and has focused on excellence in education for more than 75 years! We appreciate the generous support of the community to our students, parents, faculty, and staff, and look forward to continued success in the years to come! We invite local businesses and community members to become Sardis business partners as we uphold the Sardis Enrichment School values to provide a compassionate community of growing learners.

As community leaders, we value your help as we meet the needs of each child in our school and we invite our business partners to volunteer in classrooms and at school events. Your support is crucial in sustaining successful education efforts in our community as we implement the following initiatives:

**Literacy:** Leveled book rooms and materials, class libraries, school-wide novel studies

**Technology:** Color printers for student creations and work, safety radios

**Family Engagement:** Involving families and building parental capacity at special events as equal partners in education

**Clusters:** Materials, supplies, and field trip funding

**Capital Improvements:** Improving our playground and enhancing our facility, outdoor learning spaces, beautification

**Educator Training:** Allowing staff to learn from other educators and experts

**Supplies and Materials:** Teacher resource books and materials, classroom supplies, art supplies

**Student Celebrations:** Awards day, special celebrations for reaching academic goals!

**Teacher Appreciation:** Ways to let our teachers know how much we value their work!

If you are a returning partner, we say, "Welcome back!" If you are new to Sardis, we invite you to participate by contributing to one of our goals. Our partnerships comprise several different levels, which can consist of monetary donations, goods, and/or services. If you would like your donations to go toward a specific goal, please let us know.
