

2nd Grade

Second grade lessons can be completed in 2, 30 minute sessions. At this point in the curriculum most of what they will be doing is building on what they learned in Kindergarten and 1st Grade. After watching the videos and previewing the curriculum, the 2nd grade lessons can be completed mainly via the videos

Session 1 will include the videos for Lessons 1,2,3, & 4 - after showing all of the videos, go back and quickly reinforce the key concepts from each of the videos. See the Second Grade Teachers Guide for an in-depth overview.

Session 2 will include the videos for Lessons 5,6,7, & 8. After showing all of the videos go back and quickly reinforce all of the key concepts from each of the videos. See the Second Grade Teachers Guide for an in-depth overview.
