

3rd Grade

The 3rd Grade Lessons can be covered in 2, 30-45 minute sessions. Session 1 will cover the material found in Lessons 1,2, & 3 in the 3rd Grade Curriculum. Session 2 will cover the material found in Lessons 4,5, & 6.

Lesson 1: Good Citizenship

- Show Safer, Smarter Kids Video for Lesson 1
- Reinforce the terms Wrongdoer; Victim & Bystander

Lesson 2: Safety in the Digital Community

- Show Safer, Smarter Kids Video for Lesson 2
- Reinforce the concepts and ideas highlighted in the video

Lesson 3: Body Boundaries and Personal Space

- Show Safer, Smarter Kids Video for Lesson 3
- Using the Bathing Suit Visual Aid remind the class of private parts being the swimsuit parts and also their mouths.
- Discuss Personal Boundaries and ask students for examples of personal space/body boundary violation and how they can respect their own personal space/body boundaries and those of others.

Lesson 4: Personal Power

- Show Safer, Smarter Kids Video for Lesson 4
- Remind students of the sequence of steps for getting help when they or someone they know needs help
 - First, listen to your Guiding Voice
 - Next, think about the adults in your Safety NETwork and tell one of those adults
 - Finally, if that adult does not both hear you and help you, use your Personal Power to tell another adult in your Safety NETwork and keep telling until you are Heard & Helped.

Lesson 5:

- Show Safer, Smarter Kids Video for Lesson 5
- Review the definition of “Unsafe Secret” and discuss the characteristics of an unsafe situation.

Lesson 6: Heard & Helped

- Show Safer, Smarter Kids Video for Lesson 6
- Briefly discuss and review the highlights of all 6 lessons for 3rd grade
